SECTION 5. FIREFIGHTING MEASURES

Extinguishing media Suitable extinguishing agentsSpecial powder for metal fires. Do not use water. For safety reasons unsuitable extinguishing agents

		i.								
Water					1 - 1 1					
Special hazards arising										
If this product is involve	d in a f	ire, the f	ollowing	can be	release	d:				
Metal oxide fume										
Advice for firefighters				¹			'		 ¹	
Protective equipment:				1 1 1	1 I 1			1 - 1 1		
No special measures re	equired									

SECTION 6. ACCIDENTAL RELEASE MEASURES Personal precautions, protective equipment and emergency procedures Not required. Environmental precautions: Do not allow material to be released to the environment without official permits. Do not allow product to enter drains, sewage systems, or other water courses. Do not allow material to penetrate the ground or soil. Methods and materials for containment and cleanup: Pick up mechanically. Prevention of secondary hazards: No special measures required. Reference to other sections See Section 7 for information on safe handling See Section 8 for information on personal protection equipment. See Section 13 for disposal information.

SECTION 7. HANDLING AND STORAGE

Handling Precautions for safe handling Keep container tightly sealed.

Store in cool, dry place in tightly closed	contain	ers.							
Information about protection against ex	plosions	s and fi	res:						
No special measures required.	· · .			· · ·			<u>''</u>
