### SECTION 15. REGULATORY INFORMATION

Safety, health and environmental regulations/legislation specific for the substance or mixture												
National regulations												
All components of this product are listed in the U.S. Environmental Protection Agency Toxic												
Substances Control Act Chemical substance Inventory.												
All components of this product are listed on the Canadian Domestic Substances List (DSL).												
SARA Section 313 (specific toxic chemical listings)												
513-78-0 Cadmium carbonate												
California Proposition 65												
Prop 65 - Chemicals known to cause cancer												
513-78-0 Cadmium carbonate												
Prop 65 - Developmental toxicity												
Substance is not listed.												
Prop 65 - Developmental toxicity, female												
Substance is not listed.												
Prop 65 - Developmental toxicity, male												
Substance is not listed.												
Information about limitation of use:												
For use only by technically qualified individuals.												
This product is subject to the reporting requirements of section 313 of the Emergency Planning and	Ľ											
Community Right to Know Act of 1986 and 40CFR372.												
Other regulations, limitations and prohibitive regulations												
Substance of Very High Concern (SVHC) according to the REACH Regulations (EC) No. 1907/200	6.											
Substance is not listed.												
The conditions of restrictions according to Article 67 and Annex XVII of the Regulation (EC) No												
1907/2006 (REACH) for the manufacturing, placing on the market and use must be observed.												

Substance is not listed.

Annex XIV of the REACH Regulations (requiring Authorisation for use) Substance is not listed.

Chemical safety assessment:

A Chemical Safety Assessment has not been carried out.

#### **SECTION 16. OTHER INFORMATION**

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH). The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to theproduct with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product.
