#### **SECTION 4. FIRST AID MEASURES**

Description of first aid measures				1.		:	14. 1	
General informationNo special measures require	ed.						.:	:
If inhaled: Supply fresh air and to be sure call for a doctor.		1	1		1	1	:	1
Seek medical treatment in case of complaints. In case of skin contact:	5. 1	··.,	:**	1. 1.	··.,	:**	14. 14.	
Generally the product does not irritate the skin.		1 1 - 1	1 I	.1		н н Н	.:	

In case of eye contact: Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor. If swallowed: If symptoms persist consult doctor. Information for doctor Most important symptoms and effects, both acute and delayed No data available Indication of any immediate medical attention and special treatment needed No data available SECTION 5. FIREFIGHTING MEASURES Extinguishing media Suitable extinguishing agents Special powder for metal fires. Do not use water. For safety reasons unsuitable extinguishing agents Water Special hazards arising from the substance or mixture If this product is involved in a fire, the following can be released: Metal oxide fume Advice for firefighters

No special measures required

Protective equipment:

# SECTION 6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures

Not required.

Environmental precautions:

Do not allow material to be released to the environment without official permits.

Do not allow product to enter drains, sewage systems, or other water courses.			:	,
			1	· · ·
Do not allow material to penetrate the ground or soil.				
Methods and materials for containment and cleanup:		1 	1.	1
Dispose of contaminated material as waste according to section 13.				
Prevention of secondary hazards:	· · .			···,
No special measures required.			.1	
Reference to other sections		5		
See Section 7 for information on safe handling				
See Section 8 for information on personal protection equipment.	· · .		1.	• • •
See Section 13 for disposal information.				
SECTION 7. HANDLING AND STORAGE	'e 	1 	1.	1
HandlingPrecautions for safe handling	· · .	; · ·	14. 14.	•••
Keep container tightly sealed.				
Store in cool, dry place in tightly closed containers.				
Ensure good ventilation at the workplace.		1 1	1	1
Prevent formation of dust.				
Information about protection against explosions and fires:	· · .	:	1.	•••
No special measures required.				
Conditions for safe storage, including any incompatibilities				
Requirements to be met by storerooms and receptacles:		·		
No special requirements.				
Information about storage in one common storage facility:	· · ·		· · .	···,
Do not store together with acids.			.1	
Further information about storage conditions: Keep container tightly sealed.	1	·		1
Store in cool dry conditions in well-sealed containers				
Specific end use(s)

May cause allergy or asthma s	ymptoms (	or breat	hing di	fficulties if	inhaled	ł.			.:

May cause an allergic skin reaction.

Germ cell mutagenicity:

The Registry of Toxic Effects of Chemical Substances (RTECS) contains mutation data for this substance.

Carcinogenicity:

IARC-2B: Possibly carcinogenic to humans: limited evidence in humans in the absence of

sufficient evidence in experimental animals.

ACGIH A3: Animal carcinogen: Agent is carcinogenic in experimental animals at a relatively high dose,

by route(s) of administration, at site(s), of histologic type(s), or by mechanism(s) not considered relevant to worker exposure.

Available epidemologic studies do not confirm an increased risk of cancer in exposed humans. Available evidence suggests that the agent is not likely to cause cancer in humans except under

uncommon or unlikely routes or levels of exposure.

The Registry of Toxic Effects of Chemical Substances (RTECS) contains tumorigenic and/or carcinogenic and/or neoplastic data for this substance.

Reproductive toxicity:

No effects known.

Specific target organ system toxicity - repeated exposure: No effects known.

Specific target organ system toxicity - single exposure:

No effects known.

Aspiration hazard:

No effects known.

Subacute to chronic toxicity:No effects known.

Additional toxicological information:

To the best of our knowledge the acute and chronic toxicity of this substance is not fully known.

### **SECTION 15. REGULATORY INFORMATION**

Safety, health and environmental regulations/legislation specific for the substance or mixture

National regulations

All components of this product are listed in the U.S. Environmental Protection Agency Toxic Substances Control Act Chemical substance Inventory.

All components of this product are listed on the Canadian Domestic Substances List (DSL). SARA Section 313 (specific toxic chemical listings)

California Proposition 65

Prop 65 - Chemicals known to cause cancer

7440-48-4 Cobalt

7440-48-4 Cobalt

Prop 65 - Developmental toxicity

Substance is not listed.

Prop 65 - Developmental toxicity, female Substance is not listed.

Prop 65 - Developmental toxicity, male

Substance is not listed.

Information about limitation of use:

For use only by technically qualified individuals.

This product is subject to the reporting requirements of section 313 of the Emergency Planning and

Community Right to Know Act of 1986 and 40CFR372.

Other regulations, limitations and prohibitive regulations

Substance of Very High Concern (SVHC) according to the REACH Regulations (EC) No. 1907/2006. Substance is not listed.

The conditions of restrictions according to Article 67 and Annex XVII of the Regulation (EC) No 1907/2006 (REACH) for the manufacturing, placing on the market and use must be observed. Substance is not listed.

Annex XIV of the REACH Regulations (requiring Authorisation for use) Substance is not listed.

REACH - Pre-registered substances Substance is listed.

Chemical safety assessment:

## SECTION 16. OTHER INFORMATIONSafety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH). The above information is

believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product.
