SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS Substances CAS No. / Substance Name:

7440-47-3 Chromium 7439-89-6 Iron

SECTION 4. FIRST AID MEASURES

Description of first aid measures General information No special measures required. If inhaled: Supply patient with fresh air. If not breathing, provide artificial respiration. Keep patient warm. Seek immediate medical advice. Seek medical treatment in case of complaints. In case of skin contact: Immediately wash with soap and water; rinse thoroughly. Generally the product does not irritate the skin. Seek immediate medical advice. In case of eye contact: Rinse opened eye for several minutes under running water. Consult a physician. Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor. If swallowed: Seek medical treatment. Information for doctor Most important symptoms and effects, both acute and delayed No data available Indication of any immediate medical attention and special treatment needed No data available

SECTION 5. FIREFIGHTING MEASURES

Extinguishing media

Suitable extinguishing agents

Special powder for metal fires. Do not use water. For safety reasons unsuitable extinguishing agents
