SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Component

Sulfuric acid, ha	· ·	,				: 	
CAS-No							
15823-43-5				1			:.

SECTION 4. FIRST AID MEASURESEye Contact Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes.

Get medical attention.

Skin Contact Wash off immediately with plenty of water for at least 15 minutes. Get medical attention immediately if symptoms occur.

Inhalation Remove to fresh air. Get medical attention immediately if symptoms occur.

Ingestion Clean mouth with water and drink afterwards plenty of water. Get medical attention if

symptoms occur.

Most important symptoms and effects

None reasonably foreseeable.

Notes to Physician Treat symptomatically

SECTION 5. FIREFIGHTING MEASURES

Suitable Extinguishing Media Not combustible. Unsuitable Extinguishing Media No information available Flash Point No information available Method - No information available Autoignition Temperature No information available Explosion Limits Upper No data available Lower No data available Sensitivity to Mechanical Impact No information available Sensitivity to Static Discharge No information available Specific Hazards Arising from the Chemical

Keep product and empty container away from heat and sources of ignition.

Hazardous Combustion Products

Sulfur oxides. Hafnium oxide.

Protective Equipment and Precautions for Firefighters

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or

equivalent) and full

protective gear.

SECTION 6. ACCIDENTAL RELEASE MEASURES

Personal Precautions Ensure adequate ventilation. Use personal protective equipment as required.

Avoid dust

formation.

Environmental Precautions Should not be released into the environment. See Section 12 for additional

Ecological

Information. Do not allow material to contaminate ground water system. Do not flush into surface water or sanitary sewer system.

Methods for Containment and Clean

Up

Sweep up and shovel into suitable containers for disposal. Avoid dust formation.

SECTION 7. HANDLING AND STORAGE

Handling Wear personal protective equipment/face protection. Ensure adequate ventilation. Avoid

contact with skin, eyes or clothing. Avoid ingestion and inhalation. Avoid dust formation. Storage Keep containers tightly closed in a dry, cool and well-ventilated place.

SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Engineering Measures None under normal use conditions.

Personal Protective Equipment

Eye/face Protection Wear appropriate protective eyeglasses or chemical safety goggles as described

bý, ta set ás ta set ás ta set ás ta set

OSHA's eye and face protection regulations in 29 CFR 1910.133 or European Standard EN166.

Skin and body protection Wear appropriate protective gloves and clothing to prevent skin exposure.

Respiratory Protection No protective equipment is needed under normal use conditions.

Hygiene Measures

Handle in accordance with good industrial hygiene and safety practice.

SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

Physical State Solid		1			1			1	
Appearance No information available				.'				· .	
Odor No information available									
Odor Threshold No information available		1 1							
pH No information available		· ·				-			
Melting Point/Range No data available									,
Boiling Point/Range No information availa	able								
Flash Point No information available							; • •		
Evaporation Rate Not applicable									
Flammability (solid,gas) No information a	vailable								
Flammability or explosive limits		1			÷.,			1	,
Upper No data available									
Lower No data available					, , ,		; • •		
Vapor Pressure No information available	1 1 1	1 1	}			}			

	1			1					
Vapor Density Not applicable		1 1							
Specific Gravity No information availa									
Solubility No information available		1	1		1	1		1	1
Partition coefficient; n-octanol/water N	lo data a	vailable							
Autoignition Temperature No informat	ion availa	able							
Decomposition Temperature No inform	mation av	vailable	:	н 1 - 1		:			
Viscosity Not applicable		:	· .					:	
Molecular Formula Hf(SO4)2	,				1				
Molecular Weight 370.62(anhy)	;••	1					:**

Bioaccumulation	/ Accum	nulatio	n No info	rmation	availab	ole.	11				;
Mobility No infor	mation a	availat	ole.								

SECTION 13. DISPOSAL CONSIDERATIONS

Waste Disposal Methods Chemical waste generators must determine whether a discarded chemical is

classified as a

hazardous waste. Chemical waste generators must also consult local, regional, and

national hazardous waste regulations to ensure complete and accurate classification.

This product does not contain any DHS chemicals. Other International Regulations

Mexico - Grade No information available

SECTION 16. OTHER INFORMATION

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH). The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product.
