Advice for firefighte	rs							
Protective equipme	nt:		 			 		
Wear self-contained	-							
Wear fully protective		us suit.	·				·	

SECTION 6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedur	es			1	
Use personal protective equipment. Keep unprotected persons away.					
Ensure adequate ventilation	1	¹	н 1 1.	1 1 1	
Environmental precautions: Do not allow product to enter drains, sewa	age syste	ems, or oth	ner wate	er	
courses.					
Methods and materials for containment and cleanup:	1.	1	111	1	
Dispose of contaminated material as waste according to section 13. Ensure adequate ventilation.		*		:	
Prevention of secondary hazards: No special measures required.		н н Н			
Reference to other sections					
See Section 7 for information on safe handling	1.1	1	: • •	1	
See Section 8 for information on personal protection equipment.	-				
See Section 13 for disposal information.		1 - 1 1			
SECTION 7. HANDLING AND STORAGE	÷	·	;	1	
Handling					
Precautions for safe handling Keep container tightly sealed.					

Store in cool, dry place in tightly closed containers.

Ensure good ventilation at the workplace.

Information about protection against explosions and fires: The product is not flammable

Conditions for safe storage, including any incompatibilities										
Requirements to be met by storerooms and receptacles: No special requirements.										
Information about storage in one common storage facility: Store away from oxidizing agents.										
Further information about storage conditions:										
Keep container tightly sealed.			`			1				
Store in cool, dry conditions in well-sealed containers.		1 1 1	1	11 ¹		1				
Specific end use(s) No data available	н н Н			н н Н						

SECTION 8. EXPOSURE CONTROLS/PE	RSO	NAL	1	1 - 1 - 1 1	·
PROTECTION	н 1 - 1				
Additional information about design of technical systems:					
Properly operating chemical fume hood designed for hazardous	chemic	als and	l having a	n avera	ge
face velocity of at least 100 feet per minute.		1		: • •	·
Control parameters					:
Components with limit values that require monitoring at the work	<place:n< td=""><td>lone.</td><td></td><td></td><td></td></place:n<>	lone.			
Additional information: No data	н н н			· · ·	
Exposure controls					
Personal protective equipment		1 1		: ' '	÷
Follow typical protective and hygienic practices for handling che	micals.	1			
Keep away from foodstuffs, beverages and feed.					
Remove all soiled and contaminated clothing immediately.			1		
Wash hands before breaks and at the end of work.					
Avoid contact with the eyes and skin.					
Maintain an ergonomically appropriate working environment.				: .	-
Breathing equipment: Use suitable respirator when high concen	trations	are pre	esent.		
Recommended filter device for short term use:					
Use a respirator with type P100 (USA) or P3 (EN 143) cartridge controls.	s as a b	ackup	to enginee	ering	.

Risk assessment should be performed to determine if airpurifying

respirators are appropriate	e. Only use ec	luipmer	nt teste	d and app	proved u	inder a	ppropriat	e govern	iment
standards.									
Protection of hands:									
Impervious gloves Inspect gloves prior to use	··· · · · · · · · · · · · · · · · · ·	;••		1	:**	·	`:	:	1
The selection of suitable g vary		/ depen	ds on t	he mater	ial, but a	also; on	quality. (Quality w	ill :

Hazardous decompo	sition products:								,	
Phosphorus oxides (e.g. P2O5)						:			
Lithium oxide							¹			

SECTION 11. TOXICOLOGICAL INFORMATION Information on toxicological effects Acute toxicity: Harmful if swallowed. LD/LC50 values that are relevant for classification: No data Skin irritation or corrosion: Causes skin irritation. Eye irritation or corrosion: Causes serious eye irritation. Sensitization: No sensitizing effects known. Germ cell mutagenicity: No effects known. Carcinogenicity: No classification data on carcinogenic properties of this material is available from the EPA, IARC, NTP, OSHA or ACGIH. Reproductive toxicity: No effects known. Specific target organ system toxicity - repeated exposure: No effects known.
Acute toxicity: Harmful if swallowed. LD/LC50 values that are relevant for classification: No data Skin irritation or corrosion: Causes skin irritation. Eye irritation or corrosion: Causes serious eye irritation. Sensitization: No sensitizing effects known. Germ cell mutagenicity: No effects known. Carcinogenicity: No classification data on carcinogenic properties of this material is available from the EPA, IARC, NTP, OSHA or ACGIH. Reproductive toxicity: No effects known. Specific target organ system toxicity - repeated exposure: No effects known.
Carcinogenicity: No classification data on carcinogenic properties of this material is available from the EPA, IARC, NTP, OSHA or ACGIH. Reproductive toxicity: No effects known. Specific target organ system toxicity - repeated exposure: No effects known.
EPA, IARC, NTP, OSHA or ACGIH. Reproductive toxicity: No effects known. Specific target organ system toxicity - repeated exposure: No effects known.
Reproductive toxicity: No effects known. Specific target organ system toxicity - repeated exposure: No effects known.
Reproductive toxicity: No effects known. Specific target organ system toxicity - repeated exposure: No effects known.
and a second second for the second
Specific target organ system toxicity - single exposure: May cause respiratory irritation.
Aspiration hazard: No effects known.
Subacute to chronic toxicity: No effects known.
Additional toxicological information: To the best of our knowledge the acute and chronic toxicity of this
substance is not fully known.
SECTION 12. ECOLOGICAL INFORMATION
Toxicity
Aquatic toxicity: No data available
Persistence and degradability No data available
Bioaccumulative potential No data available
Mobility in soil No data available
Additional ecological information:
Do not allow undiluted product or large quantities to reach groundwater, water courses, or sewage

systems.				¹						
Avoid transfer into the environ

SECTION 16. OTHER INFORMATION

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH). The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to theproduct with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product.
