SECTION 5. FIREF	IGHTI	NG M	EAS	URES		'		: • •	
Extinguishing media									
Suitable extinguishing agents						1			

Product is not flammable. Use fire-fighting measures that suit the surrounding fire.

Special hazards arising from the substance or mixture

If this product is involved in a fire, the following can be released:

Toxic metal oxide fume

Boron oxide

Advice for firefighters

Protective equipment:

Wear self-contained respirator.

Wear fully protective impervious suit.

SECTION 6. ACCIDENTAL RELEAS	E MEASI	JRES	 		
Personal precautions, protective equipment and emerger	icy procedure	S	14. 19		1. 1.
Use personal protective equipment. Keep unprotected pe	ersons away.				
Ensure adequate ventilation		<sup>1</sup>		: * *	'
Environmental precautions:					
Do not allow material to be released to the environment v	vithout official	permits			
Do not allow product to enter drains, sewage systems, or	other water c	ourses.			
Do not allow material to penetrate the ground or soil.					
Methods and materials for containment and cleanup:					
Dispose of contaminated material as waste according to	section 13.		1 1 - 1		
Ensure adequate ventilation.					
Prevention of secondary hazards:					
No special measures required.					'
Reference to other sections

## **SECTION 15. REGULATORY INFORMATION**

Safety, health and environmental regulations/legislation specific for the substance or mixture National regulations All components of this product are listed in the U.S. Environmental Protection Agency Toxic Substances Control Act Chemical substance Inventory. All components of this product are listed on the Canadian Non-Domestic Substances List (NDSL). SARA Section 313 (specific toxic chemical listings) 12007-01-1 Nickel boride California Proposition 65

Prop 65 - Chemicals known to cause cancer

12007-01-1 Nickel boride Prop 65 - Developmental toxicity Substance is not listed. Prop 65 - Developmental toxicity, female Substance is not listed. Prop 65 - Developmental toxicity, male Substance is not listed. Information about limitation of use: For use only by technically qualified individuals. This product is subject to the reporting requirements of section 313 of the Emergency Planning andCommunity Right to Know Act of 1986 and 40CFR372. Other regulations, limitations and prohibitive regulations Substance of Very High Concern (SVHC) according to the REACH Regulations (EC) No. 1907/2006. Substance is not listed. The conditions of restrictions according to Article 67 and Annex XVII of the Regulation (EC) No 1907/2006 (REACH) for the manufacturing, placing on the market and use must be observed. Substance is not listed. Annex XIV of the REACH Regulations (requiring Authorisation for use) Substance is not listed. **REACH - Pre-registered substances** Substance is listed. Chemical safety assessment: A Chemical Safety Assessment has not been carried out.

#### **SECTION 16. OTHER INFORMATION**

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH). The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the
