SECTION 4. FIRST AID MEASURES

Description of first aid measures General information Immediately remove any clothing soiled by the product. Remove breathing apparatus only after contaminated clothing has been completely removed. In case of irregular breathing or respiratory arrest provide artificial respiration. If inhaled: Supply patient with fresh air. If not breathing, provide artificial respiration. Keep patient warm. Seek immediate medical advice. In case of skin contact: Immediately wash with soap and water; rinse thoroughly. Seek immediate medical advice. In case of eye contact: Rinse opened eye for several minutes under running water. Consult a physician. If swallowed: Do not induce vomiting; immediately call for medical help. Information for doctor Most important symptoms and effects, both acute and delayed No data available Indication of any immediate medical attention and special treatment needed No data available

SECTION 5. FIREFIGHTING MEASURES

Extinguishing media Suitable extinguishing agents Product is not flammable. Use fire-fighting measures that suit the surrounding fire. Special hazards arising from the substance or mixture If this product is involved in a fire, the following can be released:

Hydrogen selenide					1 1 1		1.	
Advice for firefighters		. '	 ;					
Protective equipment:	1	r.		ı		1		1
Wear self-contained resp	oirator.		 1					
Wear fully protective imp	perviou	s suit.	1 1	1				

SECTION 6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equip	omenț an	d emer	gency pr	ocedure	S								
Use personal protective equipment. Keep unprotected persons away. Ensure adequate ventilation													
Ensure adequate ventilation	1 1 - 1			н 1 - 1			н 1. т.						
Environmental precautions:		1			1	÷							
Do not allow material to be released to	o the envi	ronme	nt withou	ıt official	permits	6.							
Do not allow product to enter drains, s	ewage sy	/stems	, or othe	r water c	ourses.		; • •	: .					
Do not allow material to penetrate the	ground o	r soil.											
Methods and materials for containmer	nt and cle	anup:D)ispose c				as waste						
according to section 13.		1	:		1	:		1					
Ensure adequate ventilation.													
Prevention of secondary hazards:			1 - 1 1				111						
No special measures required.	1			1

SECTION 15. REGULATORY INFORMATION

Safety, health and environmental regulations/legislation specific for the substance or mixture									
National regulations									
All components of this product are listed in the U.S. Environmental Protection Agency ToxicSubstances Control Act Chemical substance Inventory.									
All components of this product are listed on the Canadian Non-Domestic Substances List (NDSL).								
SARA Section 313 (specific toxic chemical listings)		:							
12034-77-4 Niobium selenide									
California Proposition 65									
Prop 65 - Chemicals known to cause cancer									
Substance is not listed.									
Prop 65 - Developmental toxicity		١.							
Substance is not listed.									
Prop 65 - Developmental toxicity, female									
Substance is not listed.									
Prop 65 - Developmental toxicity, male									
Substance is not listed.									
Information about limitation of use:									
For use only by technically qualified individuals.									
This product contains selenium and is subject to the reporting requirements of section 313	of the	'							
Emergency Planning and Community Right to Know Act of 1986 and 40CFR372.		:							
Other regulations, limitations and prohibitive regulations		1							
Substance of Very High Concern (SVHC) according to the REACH Regulations (EC) No. 1	907/20	06.							
Substance is not listed.									
The conditions of restrictions according to Article 67 and Annex XVII of the Regulation (EC) No	. '							
1907/2006 (REACH) for the manufacturing, placing on the market and use must be observ	ed.	1							
Substance is not listed.									
Annex XIV of the REACH Regulations (requiring Authorisation for use)									
Substance is not listed.									

REACH - Pre-registered substances Substance is listed. Chemical safety assessment:

A Chemical Safety Assessment has not been carried out.

SECTION 16. OTHER INFORMATION

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH). The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product.
