SECTION 4. FIRST AID MEASURES

Description of first aid measures			1			
General information						
Immediately remove any clothing soiled by the product.					1	
Remove breathing apparatus only after contaminated clothin	g has bee	n comp	letely re	moved.	:	
In case of irregular breathing or respiratory arrest provide art If inhaled:			1			
Supply patient with fresh air. If not breathing, provide artificia	l respiratio	on. Keel	p patient	warm.		
Seek immediate medical advice.					· .	
In case of skin contact:		:	1		ť	
Immediately wash with soap and water; rinse thoroughly.						
Seek immediate medical advice.	,			,	,	
In case of eye contact:		÷.,				
Rinse opened eye for several minutes under running water.	Consult a _l	physicia	an.			
If swallowed:		: '	1		Ľ	
Do not induce vomiting; immediately call for medical help			:			
Information for doctor						
Most important symptoms and effects, both acute and delaye	ed 👬			111		
No data available Indication of any immediate medical attention and special tre				1	af i	
No data available						
	111	1			1	

Extinguishing media Suitable extinguishing agents Product is not flammable. Use fire-fighting measures that suit the surrounding fire. Special hazards arising from the substance or mixture If this product is involved in a fire, the following can be released:

Hydrogen selenide			1	:	1		:		:	
Advice for firefighters										
Protective equipment:										
Wear self-contained res	spirator									
Wear fully protective im	pervio	us suit.	1			1		 		,

SECTION 6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and	emerg	ency proc	edures	:			:	
Use personal protective equipment. Keep unpro	tected	persons a	way.		,			
Ensure adequate ventilation				1		1	1	1
Environmental precautions:	· · ·		1 I 1	1 I 1				
Do not allow material to be released to the enviro	onmen	t without o	official p	ermits.				
Do not allow product to enter drains, sewage sys	stems,	or other w	ater co	urses.		: • •		. •
Do not allow material to penetrate the ground or	soil.							
Methods and materials for containment and clea	nup:Di	spose of c	contami	nated r	naterial as	s waste		:
according to section 13.	н н н		н н н					
Ensure adequate ventilation.								
Prevention of secondary hazards:	1.		; • •			: • •		. '
No special measures required.	.'	· .	۰.			•

SECTION 7. HANDLING AND S		PAGE		1 1				
OLOTION I. HANDLING AND C			,					:
Handling								
Precautions for safe handling				1	1			
Keep container tightly sealed.				1	1			

Store in cool, dry place in tightly closed containers.	:			4		
Ensure good ventilation at the workplace.						
Open and handle container with care.						
Information about protection against explosions and fires	:					
The product is not flammable		1				
Conditions for safe storage, including any incompatibilitie	S	:			1	
Requirements to be met by storerooms and receptacles:						
No special requirements.			1			
Information about storage in one common storage facility	<u>.</u>	:				
Store away from oxidizing agents.						
Further information about storage conditions:	i i i	t.	1		1	
Keep container tightly sealed.	1					
Store in cool, dry conditions in well-sealed containers.						
Specific end use(s)				111		
No data available	:	:			: ¹	1
			:			:
SECTION 8. EXPOSURE CONTROLS						
				111		
Additional information about design of technical systems:	;		· .			÷.,
Properly operating chemical fume hood designed for haz	ardous chem	icals and	having a	an avera	age	
face velocity of at least 100 feet per minute.

damage in experimental animals and fibrogenic effects on the lungs of experimental animals. Selenium may cause amyotrophic lateral sclerosis, bronchial irritation, gastrointestinal distress, vasopharyngeal irritation, garlic odor on breath and sweat, metallic taste, pallor, irritability, excessive fatigue, loss of fingernails and hair, pulmonary edema, anemia and weight loss. Subacute to chronic toxicity:

No effects known.

Additional toxicological information:

To the best of our knowledge the acute and chronic toxicity of this substance is not fully known.

SECTION 15. REGULATORY INFORMATION

Safety, health and environmental regulations/legislation specific for the substance or mixture													
National regulations													
All components of this product are listed in the U.S. Environmental Protection Agency ToxicSubstances Control Act Chemical substance Inventory.													
All components of this product are listed on the Canadian Non-Domestic Substances List (NDSL).													
SARA Section 313 (specific toxic chemical listings)													
12034-77-4 Niobium selenide													
California Proposition 65													
Prop 65 - Chemicals known to cause cancer													
Substance is not listed.													
Prop 65 - Developmental toxicity													
Substance is not listed.													
Prop 65 - Developmental toxicity, female													
Substance is not listed.													
Prop 65 - Developmental toxicity, male													
Substance is not listed.													
Information about limitation of use:													
For use only by technically qualified individuals.													
This product contains selenium and is subject to the reporting requirements of section 313 of the													
Emergency Planning and Community Right to Know Act of 1986 and 40CFR372.													
Other regulations, limitations and prohibitive regulations													
Substance of Very High Concern (SVHC) according to the REACH Regulations (EC) No. 1907/2006.													
Substance is not listed.													
The conditions of restrictions according to Article 67 and Annex XVII of the Regulation (EC) No													
1907/2006 (REACH) for the manufacturing, placing on the market and use must be observed.													
Substance is not listed.													
Annex XIV of the REACH Regulations (requiring Authorisation for use)													
Substance is not listed.													

REACH - Pre-registered substar	nces	:	5	:	6	1	
Substance is listed.							
Chemical safety assessment:		 		 			

A Chemical Safety Assessment has not been carried out.

SECTION 16. OTHER INFORMATION

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH). The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product.
