at the state of the state	1. A.						1.00		:	
SECTION 7. HAND										
Handling				н н н		.:				
Precautions for safe handling	·		. '	·			·			
Keep container tightly sealed.			,							

Store in cool, dry place in tightly closed containers.

		1			
Information about protection against explosions and fires:					
No special measures required.					
Conditions for safe storage, including any incompatibilities			11		
Requirements to be met by storerooms and receptacles:					
No special requirements.		1			·
Information about storage in one common storage facility:					
Do not store together with acids. Store away from oxidizing agents.		1 1 - 1	···,	.:	
Further information about storage conditions: Keep container tightly sealed.		1	111	e ^r	÷
Store in cool, dry conditions in well-sealed containers.					
Specific end use(s) No data available					
				;	·
SECTION 8. EXPOSURE CONTROLS/PERS	SONA				
PROTECTION	:	. 1	· · · ·		
Additional information about design of technical systems:					
No further data; see section 7. Control parameters		1	111		1
Components with limit values that require monitoring at the workplace	ce:				
The product does not contain any relevant quantities of materials wi	ith critica	lvalues			
that should be monitored at the workplace.					
Additional information: No data					
Personal protective equipment					
Follow typical protective and hygienic practices for handling chemica	als.				
Maintain an ergonomically appropriate working environment.		1 - 1		. '	
Breathing equipment: Not required.		1			
Breathing equipment: Not required. Protection of hands: Not required.		1.00		i'	`

SECTION 15. REGULATORY INFORMATION

Safety, health and environmental regulations/legislation specific for the substance or mixture								
National regulations	1 1							
All components of this product are listed in the U.S. Environmental Protection Agency Toxic								.:
Substances Control Act Chemical substance Inventory.								
All components of this product are listed on the Canadian Domestic Substances List (DSL).								
SARA Section 313 (specific toxic chemica	al listino	gs)						
Substance is not listed.								
California Proposition 65Prop 65 - Chemi	cals kn	own to	cause ca	ncer			· · .	.:
Substance is not listed.								
Prop 65 - Developmental toxicity			1 			`		:
Substance is not listed.								
Prop 65 - Developmental toxicity, female								
Substance is not listed.								
Prop 65 - Developmental toxicity, male			·			·		
Substance is not listed.		1			1			
Information about limitation of use:								

For use only by technically qualified individuals. Other regulations, limitations and prohibitive regulations Substance of Very High Concern (SVHC) according to the REACH Regulations (EC) No. 1907/2006. Substance is not listed. The conditions of restrictions according to Article 67 and Annex XVII of the Regulation (EC) No 1907/2006 (REACH) for the manufacturing, placing on the market and use must be observed. Substance is not listed. Annex XIV of the REACH Regulations (requiring Authorisation for use) Substance is not listed. REACH - Pre-registered substances Substance is listed. Chemical safety assessment: A Chemical Safety Assessment has not been carried out.

SECTION 16. OTHER INFORMATION

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH). The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product.
