SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Substances

CAS No. / Substance Name: 13963-58-1 Potassium hexacyanocobaltate (III) Identification number(s):

EC number: 237-742-1

SECTION 4. FIRST AID MEASURES

Description of first aid measures If inhaled:

Supply patient with fresh air. If not breathing, provide artificial respiration. Keep patient warm. Seek immediate medical advice.

In case of skin contact:

Immediately wash with soap and water; rinse thoroughly.Seek immediate medical advice. In case of eye contact:

Rinse opened eye for several minutes under running water. Consult a physician. If swallowed:

Seek medical treatment.

Subacute to chronic toxicity:	1			1			1		
Cobalt is an experimental neoplastigen a	and tum	origen.	lt is an e	xperime	ental ca	rcinogen o	of the		
connective tissue and lungs. Cobalt meta	al and ir	norgani	ic compou	unds are	e classi	fied as an	animal		
carcinogen by the ACGIH. Ingestion may	/ cause	burnin	g in the m	nouth, e	sophag	us, and st	tomach	•	
Inhalation of dusts and fumes may cause	e irritatio	on of th	e respirat	tory trac	t and la	abored bre	eathing	and	
coughing. Sensitization, nausea, flushing	g of the	face ar	nd ringing	in the e	ears is a	also possi	ble.		
Chronic ingestion may result in pericardia failure,			lycardial e				ardiac		
vomiting, convulsions and thyroid enlarge	ement.			. '				:	
Cyanides may cause symptoms of saliva	ation, na	ausea v	vithout vo	miting,	anxiety	, confusio	n, vertig	JO,	

giddiness, lower jaw stiffness, convulsions, opisthotonos, paralysis, coma, cardiac arrhythmias and respiratory failure. They typically cause death through asphyxia. Skin contact may cause itching,macular, papular and vesicular eruptions.

Subacute to chronic toxicity: No effects known.

Additional toxicological information:

To the best of our knowledge the acute and chronic toxicity of this substance is not fully known. Carcinogenic categories

OSHA-Ca (Occupational Safety & Health Administration) Substance is not listed.

SECTION 15. REGULATORY INFORMATION Safety, health and environmental regulations/legislation specific for the substance or mixture

National regulations All components of this product are listed in the U.S. Environmental Protection Agency Toxic Substances Control Act Chemical substance Inventory. All components of this product are listed on the Canadian Non-Domestic Substances List (NDSL). SARA Section 313 (specific toxic chemical listings) 13963-58-1 Potassium hexacyanocobaltate (III) California Proposition 65 Prop 65 - Chemicals known to cause cancer Substance is not listed Prop 65 - Developmental toxicity Substance is not listed. Prop 65 - Developmental toxicity, female Substance is not listed. Prop 65 - Developmental toxicity, male 13963-58-1 Potassium hexacyanocobaltate (III) Information about limitation of use: For use only by technically qualified individuals. This product contains cobalt and is subject to the reporting requirements of section 313 of the Emergency Planning and Community Right to Know Act of 1986 and

40CFR372.

This product is subject to the reporting requirements of section 313 of the Emergency Planning and Community Right to Know Act of 1986 and 40CFR372.

This product contains a cyanide compound and is subject to the reporting requirements of section 313

of the Emergency Planning and Community Right to Know Act of 1986 and 40CFR372.

Other regulations, limitations and prohibitive regulations

Substance of Very High Concern (SVHC) according to the REACH Regulations (EC) No. 1907/2006. Substance is not listed.

The conditions of restrictions according to Article 67 and Annex XVII of the Regulation (EC) No 1907/2006 (REACH) for the manufacturing, placing on the market and use must be observed.

Substance is not listed.

Annex XIV of the REACH Regulations (requiring Authorisation for use)Substance is not listed. Chemical safety assessment:

A Chemical Safety Assessment has not been carried out

SECTION 16. OTHER INFORMATION

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH). The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product.
