SECTION 15. REGULATORY INFORMATION

Safety, health and environmental regulations/legislation specific for the substance or mixture												
National regulations												
All components of this product are listed in the U.S. Environmental Protection Agency Toxic												
Substances Control Act Chemical substance Inventory.												
All components of this product are listed on the Canadian Domestic Substances List (DSL).												
SARA Section 313 (specific toxic chemical listings)	1.											
Substance is not listed.												
California Proposition 65												
Prop 65 - Chemicals known to cause cancer												
Substance is not listed.												
Prop 65 - Developmental toxicity	· .											
Substance is not listed.												
Prop 65 - Developmental toxicity, female	. '											
Substance is not listed.												
Prop 65 - Developmental toxicity, male	·											
Substance is not listed.												
nformation about limitation of use:	.:											
For use only by technically qualified individuals.												
Other regulations, limitations and prohibitive regulations												
Substance of Very High Concern (SVHC) according to the REACH Regulations (EC) No. 1907/2	2006.											
Substance is not listed.												
The conditions of restrictions according to Article 67 and Annex XVII of the Regulation (EC) No	.1											
907/2006 (REACH) for the manufacturing, placing on the market and use must be observed.												
Substance is not listed.												
Annex XIV of the REACH Regulations (requiring Authorisation for use)	14											
Substance is not listed.												
REACH - Pre-registered substances	.:											
Substance is listed.												

Chemical safety assessment:

A Chemical Safety Assessment has not been carried out.

SECTION 16. OTHER INFORMATION

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH). The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product.
