<b>SECTION 4. FIRST AID</b>	D MEAS	URE	S					
Description of first aid measures	· .							
General information No special me	asures requ	ired.			1 1			
If inhaled: Seek medical treatment		•						
In case of skin contact: Generally t	he product d			ne skin.	'		111	'
In case of eye contact:	:		-			1		
Rinse opened eye for several minu								or.
If swallowed:	1.	1 1		1		<u>'</u> ,		
If symptoms persist consult doctor.		'			'			
Information for doctor			ı					
Most important symptoms and effe	cts, both acı	ute and	delayed:					

No data available

Indication of any immediate medical attention and special treatment needed: No data available

### SECTION 5. FIREFIGHTING MEASURES

Extinguishing media Suitable extinguishing agents Product is not flammable. Use fire-fighting measures that suit the

Special hazards arising from the substance or mixture If this product is involved in a fire, the following

can be released:

surrounding fire.

Advice for firefighters

Protective equipment: No special measures required.

### SECTION 6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures Not required.

Environmental precautions: Do not allow material to be released to the environment without official permits.

Methods and materials for containment and cleanup: Pick up mechanically.

Prevention of secondary hazards: No special measures required.

Reference to other sections

See Section 7 for information on safe handling

See Section 8 for information on personal protection equipment.

See Section 13 for disposal information.

### **SECTION 7. HANDLING AND STORAGE**

Handling

Precautions for safe handling				1					
Keep container tightly sealed.									
Store in cool, dry place in tightly	closed co	ontainer	S.	÷.,	'.			14. 1	
Information about protection aga	•						•

## SECTION 10. STABILITY AND REACTIVITY

Reactivity No data available	: * *	1. C			<sup>1</sup>		111	<sup>1</sup>
Chemical stability Stable under recomm	ended	storage	condition	S.				
Thermal decomposition / conditions to b	e avoid	ed: De	compositio	on will r	not occi	ır if used	and sto	red
according to specifications.	1.	, , ,		1.	, , ,		14	
Stable until: 2100°C								
Possibility of hazardous reactions No da	ingerou	s react	ions know	n	<sup>1</sup>		: * *	
Conditions to avoid No data available			1	1		1		
Incompatible materials: Oxidizing agents								
Hazardous decomposition products: Me	tal oxid							

### SECTION 11. TOXICOLOGICAL INFORMATION

Information on toxicological effects Acute toxicity: No effects known. LD/LC50 values that are relevant for classification: No data Skin irritation or corrosion: No irritant effect. Eye irritation or corrosion: No irritant effect. Sensitization: No sensitizing effects known. Germ cell mutagenicity: No effects known. Carcinogenicity: No classification data on carcinogenic properties of this material is available from theEPA, IARC, NTP, OSHA or ACGIH. Reproductive toxicity: No effects known. Specific target organ system toxicity - repeated exposure: No effects known. Specific target organ system toxicity - single exposure: No effects known. Aspiration hazard: No effects known. Subacute to chronic toxicity: Tungsten compounds may be irritating to the eyes and respiratory tract. Animal studies suggest that soluble tungsten compounds have the potential for causing adverse health effects involving the gastrointestinal tract and central nervous system. These effects have not been observed in humans. Chronic exposure to tungsten compounds may result in permanent lung damage. Rhenium compounds may be irritating to the eyes and respiratory tract. Subacute to chronic toxicity: No effects known. Additional toxicological information: To the best of our knowledge the acute and chronic toxicity of this substance is not fully known.

### **SECTION 12. ECOLOGICAL INFORMATION**

Toxicity

Aquatic toxicity: No data available

Persistence and degradability No data available

				1		'			
Bioaccumulative potential No	o data avai	lable

Environmental hazards: N/A

Special precautions for user N/A

Transport in bulk according to Annex II of MARPOL73/78 and the IBC Code N/A

Transport/Additional information: Not dangerous according to the above specifications.

Marine Pollutant (DOT): No

### **SECTION 15. REGULATORY INFORMATION**

Safety, health and environmental regulations/legislation specific for the substance or mixture GHS label elements N/A Hazard pictograms N/A Signal word N/A Hazard statements N/A National regulations All components of this product are listed in the U.S. Environmental Protection Agency Toxic Substances Control Act Chemical substance Inventory. All components of this product are listed on the Canadian Domestic Substances List (DSL). SARA Section 313 (specific toxic chemical listings) Substance is not listed. California Proposition 65 Prop 65 - Chemicals known to cause cancer Substance is not listed. Prop 65 - Developmental toxicity Substance is not listed. Prop 65 - Developmental toxicity, female Substance is not listed. Prop 65 - Developmental toxicity, male Substance is not listed. Information about limitation of use: For use only by technically qualified individuals. Other regulations, limitations and prohibitive regulations Substance of Very High Concern (SVHC) according to the REACH Regulations (EC) No. 1907/2006. Substance is not listed. The conditions of restrictions according to Article 67 and Annex XVII of the Regulation (EC) No 1907/2006 (REACH) for the manufacturing, placing on the

market and use must be observed.

Substance is not listed.

Annex XIV of the REACH Regulations (requiring Authorisation for use) Substance is not listed.

Chemical safety assessment: A Chemical Safety Assessment has not been carried out.

### **SECTION 16. OTHER INFORMATION**

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH). The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product.
