

SAFETY DATA SHEET Bismuth (pieces)

1. Identification								
Product identifier								
Product name	Bismuth (pieces)							
Internal identification	Replaces M-1000-070							
<b>CAS number</b> 7440-69-9								
Recommended use of the chemical and restrictions on use								
Application	Exterior surface coating.							
Uses advised against	No specific uses advised against are identified.							
Details of the supplier of the	ne safety data sheet							
Supplier	Stanford Advanced Materials							
Manufacturer	Stanford Advanced Materials Address : 23661 Birtcher Dr., Lake Forest, CA 92630 U.S.A. Tol: (040) 407 8004							

Tel: (949) 407-8904 Fax: (949) 812-6690

 Emergency telephone number
 (949) 407-8904

 Emergency telephone
 (This telephone number is available 24 hours per day, 7 days per week.)

2. Hazard(s) identification							
Classification of the substance or mixture							
Physical hazards	Not Classified						
Health hazards	Not Classified						
Environmental hazards	Not Classified						
Label elements							
Hazard statements	NC Not Classified						
Other hazards							

This substance is not classified as PBT or vPvB according to current EU criteria. Based on available knowledge of this material, it has been determined to be non-hazardous and will not pose a risk to persons or the environment in its provided form. However, any cutting, welding, melting, grinding, or use for deposition will produce dust, fume, or particulates containing component elements of this material. Exposure to these components may present significant health hazards. Note: Fine particulate may be a combustible dust which, when dispersed in air, may present an explosion hazard.
